One of the most important factors in recovering and maintaining your health through Chiropractic is that of regularity in your adjustments and/or treatments. Involved muscles, ligaments, tendons, and cartilage must be strengthened and realigned to hold the vertebrae in position; this time and regularity must be given priority.

Please become familiar with your appointments as indicated below. This is your appointment schedule. The appointments must be kept for your maximum benefit. We promise to do everything possible to help you regain and maintain your health. Your cooperation in keeping your scheduled appointments will be appreciated.
